

Heritage BAG COMPANY

Jaguar Plastics Infectious/Red Bags

April 13, 2010

This letter will serve to certify that all Heritage Bag Company printed and 3.0mil linear low density PE infectious waste bags meet or exceed the U. S. Department of Transportation's and the Florida HRS requirements for Impact Resistance of 165 grams as described in ASTM D 1709-91 and Elmendorf Tear Resistance of 480 grams as described in ASTM D 1922-89.

If you have any questions regarding our infectious waste performance please contact your Heritage Bag Company representative.

Sincerely,

Frank A. Ruiz
Technical Director
